# Tips for a healthy headspace

There are a number of ways to look after your mental health every day.

## Some of these include:

- Eat well
- Prioritise sleep
- Be physically active
- Be socially active

**For more info head to:**  
[headtohealth.gov.au](http://headtohealth.gov.au) or your local headspace centre for tips on creating a healthy headspace.

**Apps: Reach Out recommends a range of useful apps that can support a healthy headspace**  
[au.reachout.com/tools-and-apps](http://au.reachout.com/tools-and-apps)

**It's normal to feel overwhelmed at times and most often the feelings will pass fairly quickly.**

**Some good coping strategies include:**

- Talking to someone
- Practicing relaxation or mindfulness
- Being creative
- Being active

However if these feelings persist contact us at headspace Hawthorn or go to eheadspace
