Tips for a healthy headspace

There are a number of ways to look after your mental health every day.

Some of these include:

- Eat well
- Prioritise sleep
- Be physically active
- Be socially active

For more info head to:
headtohealth.gov.au **or your local headspace centre for tips on creating a healthy headspace.**

Apps: Reach Out recommends a range of useful apps that can support a healthy headspace

It's normal to feel overwhelmed at times and most often the feelings will pass fairly quickly.

Some good coping strategies include:

- Talking to someone
- Practicing relaxation or mindfulness
- Being creative
- Being active

However if these feelings persist contact us at headspace Greensborough, 9433 7200, or go to eheadspace
